

National Conference on Public Employee Retirement Systems

The Voice for Public Pensions

The National Conference on Public Employee Retirement Systems (NCPERS) is the largest trade association working on behalf of public pensions in the United States and Canada. With resources and programming benefitting both professional staff and plan trustees, we are leading the effort to protect and promote public sector pensions.

The Value of Membership

Partner with stakeholders overseeing \$4 trillion in retirement funds

NCPERS brings together pension administrators, trustees, public officials, and investment professionals from over 500 organizations to ensure that public pension leaders understand the trends and drivers influencing your decision making.

Access dozens of unique education opportunities for pension leaders

We are continually refreshing our annual program of [conferences](#) and [webinars](#) to keep pension staff and trustees on top of the important developments in actuarial practices, financial services, legislation, and regulation.

Build stakeholders' trust in our public pension system

NCPERS tools and expertise can help you advocate for your plan and defend against any attacks. Take advantage of our experience, [studies and surveys](#), and [national perspective](#) to help educate your participants, policymakers, and the media.

Connect with your peers to share intelligence and best practices

No matter your role – plan trustee, CEO, CIO, communications head, or HR lead – we have a [peer network](#) where you can gather critical intelligence, discuss industry developments, and crowd-source solutions to common challenges.
