

MODULE 3

LEGAL, RISK MANAGEMENT, AND COMMUNICATION

Learning Objectives

- Understand the legal and risk oversight duties of your board as well as your own as an individual trustee.
- Understand the roles and responsibilities of the audit committee.
- Learn about responding to media and the importance of your corporate reputation.
- Learn how to engage in effective stakeholder communication.

Answers the Questions

- What are you and your board's fiduciary duties related to legal and risk oversight?
- How does your board spot and guard against fraudulent behavior?
- How should your board manage relationships with external parties?
- How can your board effectively communicate with stakeholders (management, pensioners, employees)?
